## **VSMPO-AVISMA and Aernnova Aerospace have signed a long-term titanium supply agreement until 2028**

**Verkhnyaya Salda, January 19, 2022** – VSMPO-AVISMA Corporation and Aernnova Aerospace (Spain) have signed a long-term agreement for supply of titanium products valid until 2028.

Under the terms of the agreement, VSMPO-AVISMA will keep on delivery of titanium die forgings intended for Airbus A350 aircraft structures to Aernnova Aerospace.

According to the terms of the agreement, VSMPO-AVISMA deliveries cover the entire demand of Aernnova Aerospace for the die forgings under the abovementioned programs.

**Dmitry Osipov, Chief Executive Officer of VSMPO-AVISMA Corporation:** "Signing of the agreement which is valid until 2028 is a significant result of our joint efforts and it proves, time and again, VSMPO-AVISMA leading positions in the market. Our plan is to further extend cooperation framework with Aernnova Aerospace as to development of joint products for global aerospace needs".
